# INTERNATIONAL STUDENT THANKSGIVING BREAK IN BOSTON

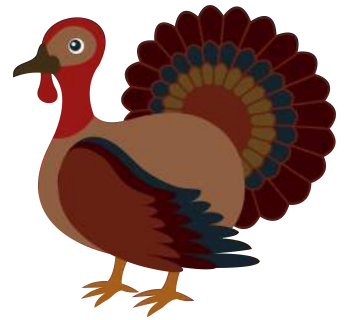

Boston is one of America's most beautiful cities, with top universities, sports teams, and cultural events. Our students stay in a newly built student hotel in the center of the city. IMAX theatres, the New England Aquarium, museums, and shopping are within walking distance. Harvard and MIT are just a few subway stops away! Our central location gives students the freedom to explore the city on foot or via subway. Our chaperones are all college graduates and offer homework, ESL, and exam study support.
